Hi Garrett,

I received an email yesterday from Jessica saying that you will need us to testify on 1/5 in the above mentioned case. Della and I are also scheduled to testify in Suffolk Superior on 1/5 with ADA Greg Henning (Comm v. [REDACTED]). He said that he would be able to get us on in the afternoon if you were able to get us on in the morning...would that be possible? If that doesn't work for you maybe you and Greg could work something out. Both Della and Lisa are on vacation this week so I'm trying to accommodate everyone's schedules. One last thing, if we do end up going to New Bedford in the afternoon instead of the morning I need to be out of the court no later than 2:30pm so I can make it home in time to pick my son up from daycare.

Thanks,
